

CASE STUDY

JCW Acoustic Supplies

September 2014

Bracebridge Court Carehome, Atherstone, North Warwickshire

Bracebridge Court is situated in the small market town of Atherstone in North Warwickshire. The home is purpose built and when Runwood Homes acquired it a couple of years ago there was a 33 bed capacity. An extension with 35 more beds is due for completion in the summer of 2015.

JCW supplied the materials in September 2014 to Greenchurch Developments, who are working directly for Runwood Homes.
