JCW Acoustic Supplies

February 2015

ABD Ceramics working for McCarthy & Stone

JCW Acoustic Supplies are currently supplying ABD Ceramics, based in Bolton, who are laying ceramic tiles onto the bathroom floors for 'McCarthy & Stone'.

McCarthy & Stone is one of the UK's leading retirement housebuilder of privately owned property. Over the past 38 years, they have built almost 50,000 apartments nationwide. All apartments are built to help you keep your independence.

Their properties are built to the highest standard. They are the only retirement developer to have been awarded a 5 star rating in customer satisfaction by our homeowners for the past ten years, via the Home Builders Federation (HBF) survey.
